DISCLAIMER

The pricing presented herein is based on combined patient level account information which can have large differences based on their treatment patterns. Each patient is different and unique and Yuma Regional Medical Center strives to treat each patient as an individual with specific healthcare needs. Therefore, pricing will be individual as well. A physician may well believe a specific diagnosis is appropriate for someone, yet upon admission or treatment, there may be complications or comorbidities; for example, someone may have diabetes which contributes a condition creating the need for a different course of treatment. Charges listed do not reflect additional charges related to Physician Billing.
